Best of Luck Little Leaguers

CREDO OF THE LITTLE LEAGUE VOLUNTEER

I Will . . .

Regard Little League as a proud national asset and help endow it with the highest possible standards.

Respect the individual boy. Try to understand his capabilities, limitations and problems of growing up.

Be exemplary in the growing movement of Little League, ready to improve the estate of our youngsters whenever possible, and to find honest enjoyment in the creative service and teaching the program affords.

Recognize obligations in training boys and teaching lessons of fair play, discipline and teamwork.

Keep informed in basic understanding and knowledge of the objectives of the program.

Cooperate in scrupulous observance of the rules and regulations which are the strength of Little League.

Encourage volunteer support of parents, educators and all agencies devoted to the welfare of youth.

Protect the Little League franchise against exploitation and use of Little League players for purposes of personal profit or commercialization.
