LITTLE LEAGUE PLEDGE

*I trust in God
I love my country and will respect its laws
I will play fair and strive to win,
But win or lose, I will always do my best.*

We who devote time and energy to Little League believe that the above pledge best symbolizes what we are attempting to accomplish.

If we can but instill in our boys the meaning of this pledge, then they will have learned the value of fair play, of discipline and team-work. They will recognize that other boys, regardless of race, creed or color, all strive for the same common goals. Having learned this they will become better citizens, and through their example, spread this doctrine to their families and communities. In addition, our boys learn to become proficient in America's greatest pastime: Baseball.

I wish to take this opportunity to express my personal thanks to everyone who has helped make our program a success. Without your help, Little League could not exist in our Community.
